

# ZERO TOLERANCE

## See Something? Say Something!

No one has the right to hurt you or make you feel unsafe.

- Touching or looking at private body parts (like those in the picture) is not allowed – except for health reasons.
- No one should make you touch or look at their private body parts.

- Never keep these touches or looks a secret.
- **Tell an official** who works here right away.
- We want you to be safe!
